

Process for plastics drop off

Deliveries and general requirements

Site location:

Plastics Recycling New Zealand

Co-located with WM New Zealand

5C Maurice Road, Penrose Auckland 1061

Maurice Road

PRNZ Yard

Direction to drop off

Drop off point

Weighbridge

Electrical pylon

One-Off Deliveries:

- Book a delivery slot between 9am - 3pm, Monday to Friday
- Vehicle must be weighed in and out at the site weighbridge
- Vehicle registration must be provided to the PRNZ Operator/Manager

Regular Deliveries:

- Contact the Factory Manager to set up a weighbridge account, approve material and schedule deliveries
- Deliveries accepted 9am - 3pm, Monday to Friday
- Site induction required for access card and weighbridge key-fob

General Requirements:

- Minimum load: 2m³ or 150kg (charges may apply for smaller loads)
- All vehicles must use the weighbridge for entry and exit
- Please wait for acceptance and guidance from our Yard Operator or Factory Manager **before** unloading your materials
- We may need to decline loads that don't meet our acceptance criteria. If your materials don't qualify, our team will explain why we can't accept them on-site.
- No gate fee applies for materials meeting our acceptance criteria. However, unacceptable or mixed loads may incur disposal or sorting fees
